**Re: ICE Clear Credit LLC Self-Certification Pursuant to Commission Rule 40.6 –  
ICC Rules, Risk Management Framework, Governance Playbook and Operating  
Agreement**

Dear Mr. Kirkpatrick:

ICE Clear Credit LLC (“ICE Clear Credit” or the “ICC”), a registered derivatives clearing organization under the Commodity Exchange Act, as amended (the “Act”), hereby submits to the Commodity Futures Trading Commission (the “Commission”), pursuant to Commission Rule 40.6 for self-certification, amendments to its (i) Clearing Rules (the “Rules”), (ii) Risk Management Framework (the “Framework”), (iii) Governance Playbook (the “Playbook”), and (iv) Sixth Amended and Restated Operating Agreement (the “Operating Agreement”) to clarify certain matters relating to the operation of its Risk Committee and related risk advisory arrangements.<sup>1</sup> The amendments will become effective on the first business day following the tenth business day after submission, or such later date as ICE Clear Credit may determine.

*Concise Explanation and Analysis*

The amendments are intended principally to provide for (i) the elimination of the Risk Management Subcommittee, (ii) the establishment of a Risk Advisory Working Group and (iii) clarification of certain arrangements relating to the operation of the Risk Committee, among other clarifications.

I. Rules

ICC is eliminating its Risk Management Subcommittee, which previously was tasked with consulting with the ICE Clear Credit Board of Managers (the “Board”) and the Risk Committee as to eligible products, standards for ICC Clearing Participants (“Participants” or “CPs”) and approvals or denials of Participant applications. ICC believes the subcommittee is unnecessary and the relevant consultative and advisory functions can be performed (and indeed are typically performed in practice) by the Risk Committee itself and by the newly established Risk Advisory Working Group. Accordingly, ICC is amending the Rules to remove references to the Risk Management Subcommittee throughout, including the deletion of Rule 510 (which set out the

responsibilities of the Risk Management Subcommittee) and Rule 511 (which addressed the membership of Risk Management Subcommittee), among others.

Rule 509 is being amended to provide for the establishment of a new Risk Advisory Working Group, as a forum to seek risk-based input from a broad array of market participants regarding all matters that could materially affect the risk profile of ICE Clear Credit, consistent with the requirements of applicable Commission regulations. The amendment clarifies that the role of the working group is advisory, such that neither the Board nor the Risk Committee is required to accept or act upon any proposal of the working group. The members of the Risk Advisory Working Group will include representatives of Participants and Non-Participant Parties. The limitations on liability in Rule 512 would be revised to apply to Risk Advisory Working Group members. Rule 512 would also provide that the working group would meet when necessary or desirable, but at least twice per year, and that the working group would provide the Risk Committee with a summary of the topics discussed at each meeting.

Consistent with the requirements of Commission regulations, ICC is also modifying its existing Risk Committee to include representatives of Non-Participant Parties. The amendments also revise the role of the Risk Committee in Rule 501 to provide generally that the Board will consult with the Risk Committee on any matters that may materially affect the risk profile of ICC (in addition to the specified actions set forth in Rule 502), and to state explicitly that the Board will consider the proposals, recommendations and other input provided by the Risk Committee.

The amendments will make certain changes to the composition of the Risk Committee in Rule 503. The size of the Risk Committee will be increased to fourteen members instead of twelve members. The two additional members of the Risk Committee will be representatives of Non-Participant Parties. The amendments set out the process for selection of these representatives. The two Non-Participant Parties will be selected by a majority vote of the other Risk Committee Members (i.e., the Participant Appointees and the three members appointed by ICC). The Non-Participant Parties must be active in clearing transactions at ICC. The selected Non-Participant Party will select an individual to serve as its Non-Participant Appointee. This person should have risk management experience and expertise and will be subject to the Risk Committee's approval which will not be unreasonably withheld. This person will also only be eligible if they are an employee of the Non-Participant Party or an Affiliate thereof. The Non-Participant Appointee may be removed at any time without cause by the Non-Participant Party that appointed the individual. If a vacancy were to occur in the position, the Non-Participant Party may appoint another individual in accordance with the Rules. In addition, a Non-Participant Party appointing a Non-Participant Appointee to the Risk Committee will have to execute a confidentiality agreement and will have to cause the Non-Participant Appointee to execute an acknowledgment of their confidentiality obligations in a form reasonably prescribed by ICC.

The amendments will clarify that a majority of the Risk Committee will constitute a quorum, deleting the additional requirement that at least half of the Participant Appointees must be present. The amendments make certain other clarifications relating to participation in meetings by audio or video conference.

In light of the expansion of the requirement to consult with the Risk Committee as described above, the amendments will clarify the consultation process in Rule 601 in the event of an emergency. Moreover, the amendments will provide that the Business Conduct Committee will hear any matter referred to it by the Review Subcommittee (rather than the Risk Management Subcommittee).

The amendments will also make conforming changes to the form of Confidentiality Agreement for Risk Committee participants to specify Market Participant instead of Clearing House member (to reflect that the Risk Committee will include Non-Participant Appointees).

Finally, the amendments would make drafting corrections and clarifications to account for the other changes being made.

## II. Risk Management Framework

ICC is also amending the Framework to reflect the changes being made to the Rules as described above. References to the Risk Management Subcommittee will be deleted and references to the new Risk Advisory Working Group would be added where relevant. The amendments also remove references to an Advisory Committee, which was a committee of Non-Participant Party representatives that is no longer being maintained.

The subsection on Risk will be updated to reflect the role of the Risk Advisory Working Group, to provide risk based feedback to ICC on all matters that could materially affect the risk profile of ICC as discussed above.

## III. Governance Playbook

ICE Clear Credit will also amend the Playbook to conform to the amendments to the Rules and Framework discussed above. References to the Risk Management Subcommittee and Advisory Committee will be deleted throughout the Playbook. References to the FCM Executive Council are also being removed, as that council is no longer being maintained. References to the Risk Advisory Working Group will be added where relevant.

The amendments will also delete a requirement that the election of ICC Board Members will follow no less than five business days after Risk Committee Reconstitution date. The elections will still occur after the Risk Committee Reconstitution date but will not need to be less than five business days after.

Conforming changes will also be made to the description and composition of the Risk Committee consistent with the amendments to the Rules discussed above. Specifically, the amendments add that the Risk Committee will include representatives of customers of ICC CPs and that the Board is required to consult with the Risk Committee with respect to matters that could materially affect the risk profile of the ICC. The amendments state that the Risk Committee will consist of fourteen rather than twelve members and that two of the members will be representatives of customers of CPs and address the procedures for selecting the two representatives of customers of CP members under the Rules.

The amendments will add a description of the Risk Advisory Working Group, including its purposes and membership, consistent with the amendments to the Rules discussed above. The amendments provide that the ICC Chief Risk Officer will serve as Chairperson of the Risk Advisory Working Group. Moreover, a minimum of two members will be representatives of CPs and a minimum of two representatives will be customer of CPs. Both will be nominated by the Risk Committee. The amendments also address meeting frequency, documentation of meetings and various other administrative procedures.

## VI. Operating Agreement

Lastly, ICC will amend and restate its Operating Agreement to conform to the amendments to the Rules, Framework and Playbook as detailed above. The amendments will delete any reference to the Advisory Committee, including Section 3.12 in its entirety. This section previously described the establishment and composition of the Advisory Committee.

*Compliance with the Act and CFTC Regulations*

The amendments to the Rules, Framework, Playbook and Operating Agreement are potentially relevant to the following core principles: (D) Risk Management, (O) Governance, and (Q) Composition of Governing Boards, and the applicable regulations of the Commission thereunder.

- *Risk Management.* As set forth above, the amendments intend to establish the Risk Advisory Working Group and make certain clarifications to the operation of the Risk Committee, including the requirement of the Board to consult with the Risk Committee on matters that could materially affect the risk profile of ICC. The amended Risk Committee procedures, and the new Risk Advisory Working Group, are intended to provide advice to ICC with respect to risk matters and thus enhance the overall risk management of the clearing house. The amendments are thus consistent with the requirements of Core Principle D and Commission Rule 39.13.
- *Governance.* The amendments are intended to comply with the Commission's 2023 amendments to Commission Rule 39.24, which imposed certain requirements for risk management committees and required the establishment of a risk advisory working group. Consistent with these requirements, ICC is expanding its Risk Committee to include representatives of Non-Participant Parties and expanding the scope of consultation requirements to include all matters that could materially affect the risk profile of ICC. ICC is also establishing the Risk Advisory Working Group to seek risk-based input from a broad array of market participants, consistent with the requirements of the rule. ICE Clear Credit believes that the amendments are therefore consistent with the governance requirements of Core Principle O and Commission Rule 39.24.
- *Composition of Governing Boards.* The amendments reflect the cessation of the Advisory Committee but do not otherwise affect the composition of the governing board of ICC. Therefore, the amendments will not adversely affect the representation of Participants on the Board and the majority of the Board will continue to be independent and have no material relationships with ICC or its affiliate. ICE Clear Credit believes that the amendments are thus consistent with ensuring that the Board includes market participants and individuals who are not executives, officers, or employees of the derivatives clearing organization or an affiliate thereof, and accordingly comply with the requirements of Core Principle Q and Commission Rule 39.26.

As set forth herein, the amendments consist of the amendments to the Rules, Framework, Playbook and Operating Agreement. A copy of the amendments to the Rules is attached hereto. ICE Clear Credit has requested confidential treatment with respect to the amendments to the Framework, Playbook and Operating Agreement, which have been submitted concurrently with this self-certification submission.

ICE Clear Credit hereby certifies that the amendments comply with the Act and the Commission's regulations thereunder.

ICE Clear Credit received no substantive opposing views in relation to the amendments.

ICE Clear Credit has posted a notice of pending certification and a copy of this submission on its website concurrent with the filing of this submission, which may be accessed at <https://www.ice.com/clear-credit/regulation>.

Any member of the Risk Committee may be removed at any time, with or without cause, by the Participant Group that appointed such member pursuant to this Rule 503. In the event a vacancy occurs on the Risk Committee as a result of the retirement, removal, resignation or death of a member thereof, such vacancy shall be filled by an individual designated by the relevant Participant Group.
- (xii) Within five ICE Business Days of the end of each Eligibility Determination Period, ICE Clear Credit shall, based on its books and records, deliver to each Participant Group a good faith determination of the identity of (A) the Top Six Incumbent Participant Groups and (B) the Eligible Participant Groups, and shall inform each of the Top Six Incumbent Participant Groups and the Eligible Participant Groups of its right to appoint a member to the Risk Committee as of the next Risk Committee Reconstitution Date pursuant to this Rule; provided, however, that ICE Clear Credit and its Affiliates, Board and officers shall have no liability with respect to the delivery of such good faith determination. For the sake of clarity, such good faith determination shall identify only the Participant Groups mentioned above, and shall not set forth the Participant Activity levels of such Participant Groups. In the event any Participant Group disputes in good faith ICE Clear Credit's good faith determination of the Top Six Incumbent Participant Groups or the Eligible Participant Groups, the disputing

Participant Group and the Risk Committee shall submit such dispute for resolution to PricewaterhouseCoopers LLP (or, if such firm shall decline or is unable to act or is not, at the time of such submission, independent of ICE Clear Credit, the disputing Participant Group or any member of the Risk Committee, to another independent accounting firm of international reputation mutually acceptable to the disputing Participant Group and the Risk Committee) (such firm, the “Independent Accounting Firm”), which shall, within 30 ICE Business Days after such submission, determine and report to ICE Clear Credit, the disputing Participant Group and the Risk Committee, and such report shall be final, conclusive and binding on the disputing Participant Group, the Risk Committee and ICE Clear Credit. The disputing Participant Group shall be solely responsible for the fees and disbursements of the Independent Accounting Firm. ICE Clear Credit and its Affiliates, Board and officers shall have no liability in connection with the determination of the Independent Accounting Firm.

(A) Each Non-Participant Party shall be selected by majority vote of collectively the: (a) Risk Committee members serving pursuant to Rule 503(a)(iii) and (b) the Participant Appointees, from a slate of Non-Participant Parties nominated by one or more Risk Committee members serving pursuant to Rule 503(a)(iii) or Participant Appointees. The Non-Participant Parties selected pursuant to this Rule 503(a)(xiii) shall be required to be active in clearing transactions at ICE Clear Credit.

(B) Each Non-Participant Party selected hereunder shall notify the Risk Committee of the individual appointed by such Non-Participant Party to serve as a Non-Participant Appointee on the Risk Committee. Each such appointed Non-Participant Appointee shall have risk management experience and expertise and shall be subject to the approval of the Risk Committee, such approval not to be unreasonably withheld, conditioned or delayed.

(C) A Non-Participant Party may appoint an individual to be a Non-Participant Appointee of the Risk Committee only if such individual is an employee of the Non-Participant Party or an Affiliate thereof. Any Non-Participant Appointee may be removed at any time, with or without cause, by the Non-Participant Party that appointed such Non-Participant Appointee Risk Committee member pursuant to this Rule 503. In the event a vacancy occurs on the Risk Committee in a position held by a Non-Participant Appointee member as a result of the retirement, removal, cessation of employment, resignation or death of such member, such vacancy shall be filled by an individual

designated by the relevant Non-Participant Party in accordance with this Rule 503.

- (xiii) If, by written agreement of the Risk Committee and the Board, ICE Clear Credit is determined to have established multiple risk pools (each, a “Risk Pool”), ICE Clear Credit will create a new and separate risk committee for each such Risk Pool. In such event, (A) each such new risk committee will have, with respect to its Risk Pool, the same rights, responsibilities and operational procedures as the Risk Committee has under this Chapter, and (B) to the extent practicable, the composition of such other risk committee will be determined on the same basis as the Risk Committee is determined hereunder (taking into account, instead, the applicable volume or usage metric with respect to such Risk Pool as determined by the Risk Committee), with the rules for such composition being determined by the Board, in consultation with the Risk Committee.
- (xiv) No member of the Risk Committee may be subject to statutory disqualification under CEA Section 8a(2) or Section 3(a)(39) of the Securities Exchange Act, or other applicable CFTC or SEC regulations.
- (b) Each Participant whose Participant Group appoints a member of the Risk Committee shall, prior to participation in the Risk Committee, execute a confidentiality agreement substantially in the form of the agreement attached as Schedule 503 to these Rules and cause its Risk Committee member to execute an acknowledgement of his or her confidentiality obligations in a form reasonably prescribed by ICE Clear Credit and each such Participant and Risk Committee member shall comply with the confidentiality obligations thereunder.
- (c) Each Non-Participant Party who appoints a Non-Participant Appointee to the Risk Committee shall, prior to participation in the Risk Committee, execute a confidentiality agreement substantially in the form of the agreement attached as Schedule 503 to these Rules and shall cause its Non-Participant Appointee to execute an acknowledgement of his or her confidentiality obligations in a form reasonably prescribed by ICE Clear Credit and each such Non-Participant Party and Non-Participant Appointee shall comply with the confidentiality obligations thereunder.

#### **504. Change of Control of ICE Clear Credit.**

No change of control or sale (whether by merger, consolidation, stock sale, membership interest sale or sale, license or other disposition of all or substantially all of the assets or otherwise) of Intercontinental Exchange, Inc., a Delaware corporation, ICE Clear Credit or the ICE Parent, in each case either directly or indirectly, will affect or alter in any manner the responsibilities, rights or operations of the Risk Committee or the manner in which the Risk Committee is constituted as set forth in the Rules (the “Risk Committee

Provisions”), and the Risk Committee Provisions shall survive any such change in control or sale. The foregoing shall apply, mutatis mutandis, to any subsequent change of control or sale of the acquiring or surviving Person resulting from any such previous change of control or sale.

#### **505. Actions by the Risk Committee.**

- (a) Except as provided in Rule 508, all decisions and recommendations made by the Risk Committee shall be made at a meeting by majority vote of members. When providing to ICE Clear Credit or the Board a decision or recommendation made by the Risk Committee, the Risk Committee shall identify each member that participated and how such member voted.
- (b) A majority of the Risk Committee, ~~which must include at least half of the Participant Appointees,~~ shall constitute a quorum at a meeting of the Risk Committee. In the event that a member of the Risk Committee is unable to attend or participate in any meeting of the Risk Committee, the Participant or Non-Participant Party that designated such member of the Risk Committee may appoint an alternate to attend such meetings and to participate in the deliberations of such meetings. Such alternate will be permitted to vote on behalf of the absent member of the Risk Committee and will be considered an attendee of any meetings for the purposes of constituting a quorum.
- (c) The Risk Committee will be chaired by the Independent ICE Manager.
- (d) Any action required or permitted to be taken by the Risk Committee, either at a meeting or otherwise, may be taken without a meeting if the members of the Risk Committee, by unanimous action, consent thereto in writing and the writing or writings are filed with the minutes of proceedings of the Risk Committee. Written notice of the action to be taken by written consent shall be given by any member of the Risk Committee who joined in such consent (as determined by the members of the Risk Committee who joined in such consent) to all other members of the Risk Committee and the Board within five ICE Business Days following the taking of any such action.

#### **506. Fiduciary Duties; Limitation of Liability of the Risk Committee.**

No member of the Risk Committee and no member of either a Participant Group or a Non-Participant Party that appoints such a member to the Risk Committee (each, a “Protected Person”) shall, to the fullest extent permitted by applicable law, have any fiduciary duties otherwise existing at law or equity to ICE Clear Credit, the ICE Parent, any directors, managers or officers of either, the Participants or any other Person by reason of such service on the Risk Committee or the appointment of a member to the Risk Committee. Notwithstanding anything to the contrary in the Rules, to the extent that, at law or in equity, a Protected Person has duties (including fiduciary duties) and liabilities relating thereto to ICE Clear Credit, the ICE Parent, any directors, managers or officers of either, the Participants or any other Person, such Protected Person acting under the Rules shall not

be liable to ICE Clear Credit, the ICE Parent, any directors, managers or officers of either, the Participants or any other Person for breach of fiduciary duty for its good faith reliance on the provisions of the Rules. The Rules, to the extent that they restrict the duties (including fiduciary duties) and liability of a Protected Person otherwise existing at law or in equity, are agreed by ICE Clear Credit and the ICE Parent to replace such other duties and liabilities of such Protected Person.

#### **507. Meetings of the Risk Committee.**

- (a) The Board or any two members of the Risk Committee may call for a meeting of the Risk Committee. The Risk Committee shall meet no less frequently than quarterly. Meetings of the Risk Committee shall be at such place and time as shall be determined by the party or parties that called the meeting. Not fewer than five ICE Business Days before each such meeting, the party or parties that called the meeting shall provide to each member of the Risk Committee (i) notice of such meeting, (ii) an agenda specifying in reasonable detail the matters to be discussed at such meeting and (iii) proposals or other written materials providing background in reasonable detail regarding the agenda items. Any member of the Risk Committee that wishes to have any additional matter discussed at any such meeting shall give to the party or parties that called the meeting and each other member of the Risk Committee notice of, and reasonable detail regarding, each matter it so wishes to discuss not fewer than two ICE Business Days prior to any such meeting. Emergency meetings of the Risk Committee may be called by any one or more members of the Risk Committee upon not less than one ICE Business Day's telephonic or electronic notice by such member(s) of the Risk Committee to all other members of the Risk Committee specifying in reasonable detail the nature of such emergency, the business to be transacted at such meeting and the location of such emergency meeting (in the case of telephonic notice, to be confirmed by written facsimile or email notice) by any member of the Risk Committee. Emergency meetings of the Risk Committee may be held at the offices of ICE Clear Credit or such other place as shall be determined by the Independent ICE Manager, as the chair. In the event a quorum of the Risk Committee (as provided in Rule 505) for any meeting other than an emergency meeting is not present, such meeting shall be adjourned and the party or parties that called the meeting shall provide no less than two ICE Business Days' second telephonic or electronic notice to the members of the Risk Committee of the reconvening of such adjourned meeting (in the case of telephonic notice, to be confirmed by written facsimile or email notice). In the event a quorum of the Risk Committee (as provided in Rule 505) for an emergency meeting is not present, such meeting shall be adjourned and the party or parties that called the meeting shall provide no less than twelve hours' second telephonic or electronic notice to the members of the Risk Committee of the reconvening of such adjourned emergency meeting (to be confirmed by written facsimile or email notice). In the event a quorum was not present at the adjourned meeting and is not present for the reconvening of such adjourned meeting, and a particular member of the Risk Committee and/or its alternate was not present at the adjourned meeting and that particular member

and/or its alternate is not present for the reconvening of such adjourned meeting, such reconvening of the adjourned meeting of the Risk Committee shall not require the presence of such absent member or its alternate for a quorum. For purposes of the required vote for any action at the reconvening of the adjourned meeting, the size of the Risk Committee shall be deemed to have been reduced by the number of such member(s) or alternate(s) of the Risk Committee who was/were not present for either the adjourned meeting or the reconvening of such adjourned meeting.

- (b) Members of the Risk Committee may participate in a meeting of the Risk Committee by means of an audio or video conference ~~telephone~~ or similar communications facility/equipment through which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at such meeting, except where a member of the Risk Committee participates in the meeting for the express purpose of objecting, at the beginning of such meeting, to any business on the ground that such meeting was called or convened in violation of these Rules or any applicable law. ICE Clear Credit shall make participation by means of an audio or video conference ~~telephone~~ or similar communications facility/equipment available to all members of the Risk Committee at all meetings of the Risk Committee; provided that all meetings must be held in the United States.
- (c) Any member of the Risk Committee that is entitled to notice of a meeting of the Risk Committee may waive such notice in writing, whether before or after the time of such meeting. Attendance by a member of the Risk Committee at a meeting thereof shall constitute a waiver of notice of such meeting by such member, except when such member attends such meeting for the express purpose of objecting, at the beginning of such meeting, to the transaction of any business at such meeting because such meeting is called or convened in violation of the Rules or any applicable law.
- (d) The decisions, recommendations and resolutions of the Risk Committee shall be reported in minutes, which shall state the date, time and place of the meeting (or the date of the written consent in lieu of meeting), the members of the Risk Committee present at the meeting, the resolutions put to a vote (or the subject of a written consent) and the results of such voting (or written consent).
